

DELIVERING BETTER.

For family-owned and operated Angel Transport, brand loyalty, quality, and a flexible finance package have kept the business flying high and leading the way with its award-winning FUSO fleet

Auckland-based Angel Transport provides general freight services throughout the Upper North Island region, specialising in urgent same-day deliveries, often as a third-party contractor.

Its 20-strong, FUSO-exclusive fleet is a mix of curtainsiders and flat deck trucks – three Canters, 16 Fighters and a second-hand Shogun. The most recent purchase, a new 16T 4x2 Fighter FM1628 curtainsider, reflects the company's continued growth.

Ayna says the flexible finance solutions provided by Fuso Financial have been key to growth.

"The recession made 2008 a difficult year for us, but in 2014, we were able to get back on our feet and, with help from Fuso Financial, we started re-investing in the business.

"I was impressed by how simple the process was. We were able to finance all of our trucks and were given a flexible package tailored to our business.

"Without the excellent finance package they offered to kick-start us, we definitely wouldn't have been able to achieve what we have – it gave us the boost we needed."
